Jean-Yves LE DRIAN has decided to entrust a mission supporting French Businesses in China to M. Jean-Pierre Raffarin, Former Prime Minister. It will support French Businesses, particularly SMEs and ETIs [intermediate-sized Enterprises], in the difficulties they may encounter on the Chinese Market. Particular attention will be given to Agrifood, Health, Renewable Energy and Sustainable Urban Development.

Though Cooperation and Competition will undoubtedly be a re-occurring Theme in Economic and Trade Relations, both France and China would need to renew the Strategic Partnership by exploiting Economic Complementarities especially in Areas like Energy, Aviation, Nuclear, Tourism, Financial Services, Environmental Protection and Sustainable Urbanisation. Last but not least, both Parties must intensify Efforts for people-to-people Exchange and Dialogues between Civil Societies, to reduce Prejudices and enhance Mutual Understanding.
