From July 05 to July 23, 2017, CASA CORONA is opening its Door inside an Ephemeral Bar in the Heart of an Artists House in a Plant Bubble hidden right in the Center of PARIS and equipped with a Large Terrace and Hammocks. This New Place has a Strong Contemporary Cultural Mexican Programm through Several Prisms (Food, Music, Drinks, Street-Art...).

CORONA Extra is a Pale Lager produced by Cervecería Modelo in Mexico for Domestic Distribution and Export to all other Countries besides the United States. The Corona Brand is one of the Top-selling Beers Worldwide. Outside Mexico, Corona is commonly served with a Wedge of Lime or Lemon in the Neck of the Bottle to add Tartness and Flavor. Corona Beer is available in a Variety of Bottled Presentations.

Beer in Mexico has a Long History. While Mesoamerican Cultures knew of Fermented Alcoholic Beverages, including a Corn Beer, long before the Spanish Conquest, European Style Beer brewed with Barley was introduced with the Spanish soon after HernÁn Cortés's arrival.... Globally, one of the best known Mexican beers is Corona, which is the Flagship Beer of Grupo Modelo. Corona is the Best-selling beer produced by Mexico and the Best-selling Non-domestic Beer in both the U.S. and U.K. Unlike most Beers, Corona is bottled in a Clear Bottle, increasing the opportunity for Spoilage from Sunlight, which can affect the Hop Oils in the Beer. A Draught Version also exists, as does Canned Corona in some Markets.
