Actress Caylee Cowan was welcomed during her visit to Manhattan last week with a photo shoot arranged by New York City beauty and fashion photographer, "Nitro" Nuri Shakoor. Thanks to the assistance and vision of fellow photographers Joe Amato, Jorgie Ostolaza, Ktodoma Igor, Alex Pichardo, and Evan Saucier; the photo session was a major success in capturing what NYC-ASE initially envision when we first met Caylee the day before we scheduled her to shoot with us. Full photo galleries on www.uabn-nyc.com.

The many photo galleries presented by UABN Photography is our way of saying "Thank you very much Caylee" for helping us create some lovely photo art for others to admire and be inspired. Collaborating with like minded artists and photographers is always a rewarding experience. We did at total of 3 shoots in two days. We tried to schedule a fourth shoot in Brooklyn but we will save that for Caylee's next visit to New York. So please stay tuned. It was a pleasure working with Caylee and a great team of photographers who helped to make the entire shoot fun and successful.

Caylee can be followed on her Instagram (IG) page @cayleecowan. Also, NYC-ASE would like to again extend thanks to the aforementioned photographers for their assistance with this session. They too can be followed on instagram at the following IG handles:
