# CALIAN AWARDED TRAINING CONTRACT BY THE FRENCH MINISTRY OF DEFENCE LAND FORCES

#### **IN INCREASING 60.000 TROOPS**

Paris, Washington DC, 22.10.2021, 00:19 Time

**USPA NEWS** - Calian® Group Ltd. (TSX: CGY), provider of trusted solutions across Advanced Technologies, Health, Learning and IT and Cyber Solutions segments, was selected by the French Ministry of Defence Land Forces to develop scenario and exercise script for upskilling 60,000 troops as part of one of their core 2022-2023 defence exercise programs, Exercise HEMEX ORION 2023. The French Ministry of Defence, a net new defence customer, chose Calian based on a solid track record of managing complex training requirements while ensuring reduced time to competency." SOurce: Calian

In addition to developing exercises, Calian trainers – all with military backgrounds – are experts in strategic planning, problem solving and working under pressure, often in hostile conditions. This unique skill set comes from interpersonal coaching and mentoring, using subject-matter experts, role-players and interpreters to enhance the realism of international training scenarios. While not a material announcement, this illustrates the Calian track record of delivering high-quality military training to European and Canadian audiences. Calian currently delivers much of the strategic and operational training to NATO Command Structure and NATO Force Structure commands. This contract began in September 2021 and runs to May 2023.

ABOUT CALIAN------www.calian.com

Calian employs over 4,500 people in its delivery of diverse products and solutions for private sector, government and defence customers in North American and global markets. The Company's diverse capabilities are delivered through: Advanced Technologies, Health, Learning, and IT and Cyber Solutions. Advanced Technologies provides innovative products, technologies and manufacturing services and solutions for the space, communications, defence, nuclear, government and agriculture sectors. Health manages a network of more than 2,400 healthcare professionals delivering primary care and occupational health services to public and private sector clients across Canada. Learning is a trusted provider of emergency management, consulting and specialized training services and solutions for the Canadian Armed Forces and clients in the defence, health, energy and other sectors. IT and Cyber Solutions supports public and private-sector customer requirements for subject matter expertise in the delivery of complex IT and cyber security solutions. Headquartered in Ottawa, the Company's offices and projects span Canada and international markets." SOURCE: CALIAN
