Iran And Belgium Swap Prisoner's

Belgium Released Iranian Diplomat

Hamburg , 26.05.2023, 12:57 Time

USPA NEWS - Iran and Belgium have freed an aid worker and a diplomat imprisoned in each other's countries, respectively, in a deal facilitated by Oman.

Aid worker Olivier Vandecas Swap With Assadollah Assadi

But The Question is That It Was Good Decision Made By Belgium?

Iranian People Knows Well That : M'r Olivier Vandecas Was innocent

But Assadollah Assadi As Iranian People Are Said He Was Not Innocent!

And Iranian People Believe That This Decision Was A Big Mistake Of European Countries Against The Islamic Republic of Iran.

In Fact This Kind Of Decisions Is Creating Big Problems In Future,

And Islamic Republic Of Iran Will Be More Rude.

And In Future ,Iranian Government will imprison more innocent Europeans People , Too free Their Terrorists criminals People In European Countries,

And This Decision Can be Creat more Terrorist Attack By Supporting Of Mullahs In European Countries

And As Well Without Giving Terrorist Mark To IRCG From European Parliament The Prisoners Swap Was A Big Disrespect To Iranian people Who Wants Freedom Since October 2022

And Almost Lost More Than 600 Young , Children's, Old , Women's, Men's In Iran Protest By Shouting Directly From Suppression police

Also We Need To Remind That Still 25.000 People Is In Iranians Political Prison.

Any How The Decision Have Gotten Already and At The Moment Assadollah Assadi Is Released From Prison And He Is In Iran!

And I Think The Best Solution Is Being Silent And See What Will Be Happen In Future

And As Well It Was Really Sad To Accept Olivier To Stay In Iranian Political Prisons While He Was Fully innocent Too

Iranian Peoples Are Believe That The European Countries Should Be Change The Ways Of Dealing And Relations

With Islamic Country Of Iran Because In This Way Of Dealing With Swapping It is Only Creating Dangerous For Many Other Peoples In Future And Giving Happiness To IRCG Organization To Do More Freely Terrorist Attacks In European Countries And United States Of America.

Iranian's Believes That the First Step To Stop This Kind Of Islamic Republic Iran Act Is To Keep IRCG In Terrorist Organization And In This Way Islamic Republic Of Iran Will Care More To Dont Make More Mistakes Due to Heavy Sanctions and General dissatisfaction inside Iran , But European Parliament Still Have Not Get Any Decisions, And Belgium Have Right To Save A Live Of Innocent Person Too.

Mr Josep Borrell Should Remind That Mullahs Government Will Not Going To Stop Their Terrorist Attacks And They Are Big Threats For Humanities As Well For All Countries In The world.

By The Way The Fact And Reasons To Believe IRCG Is Terrorist Is So Easy Too Found.

What IRCG Should Do More To Everyone Undrestand They Are Terrorist Organization?

The Greatest Fact Is That : Islamic Government Of Iran Is Supporting Russia In Ukrain War

And Many Times President Zelensky Have Showed To Everybody The Photos Of Iranians Weapons Inside of Ukrain And Have Shouted By Russia

But Even The Think Of Having Good Relationship with Islamic Republic of Iran And IRCG Is Funny and Can't Be Acceptable and It Is Impossible.

And When A Citizens of Iran Dont Want Their Government Everybody Must See The Fact and Must To Stay In The Right Side Of The History

I Think If We Are Reading Some Historical Books Regarding The Oppressive governments We Can Learn That They Are Falling Down So Easily And Any one Have Not Stay In The Right Side Of The History Is Marked In The Historical Books.

Iranian People Are Tired In This Days From All Kind Of Executions In Iran And Forcing Hijab , And Economic Of Their Country Due To Dont Have a Friendship Relationship of Their Government with Most Of The World Countries Iranians Wants Peace And (Regime Change) As Most Of Them Are Saying In This Days In Their Social Media , In Streets Of Iran & All Of The World Countries In Every Saturdays
