HOW A REPEAT OFFENDER AFTER CONVICTED PEDOPHILE COULD STILL WORK IN A SCHOOL ?-----

In France there is an automated court file (FIJAIS) that lists the perpetrators of sexual or violent offenses. This includes murder, rape, torture, and procuring all sexual offenses involving minors. The inspectorate says that "We had no information. This is a control for the first hires and interns but after there is no systematic procedure" concerning the Director "pedophile" who should have so be on this file. "There was nothing in his file on this conviction, it was discovered yesterday," he told AFP the Isère academy inspector Dominique Fis, which s' tuesday, March 24 went to primary school in Ras Mas (Villefontaine).

The director was able to pass through the mesh of the net and recruited despite his liability related to pedophilia, apparently because he is not a "first job or trainee" for reasons of "systematic procedure".

POLICE INVESTIGATION WITH LEGAL INFORMATION IS NOW OPEN-----

Now the damage is done and responsibilities will have to be assumed to reassure especially the teaching staff and the now shocked and worried parents when they entrust their children to the French public school.-----For more information see www.gouvrenement.fr
