Zach Cooper and his mother Gale move from New York City to the town of Madison, Delaware. Their new neighbors are Hannah and her father, a grumpy man known as 'Mr. Shivers'. At Madison High School where Gale works as the vice-principal, Zach befriends Champ, a socially awkward student.

One evening, Zach and Champ break into Shivers' house to search for Hannah after Zach heard Mr. Shivers and Hannah arguing from his window, followed by Hannah screaming. They find a shelf containing dozens of Goosebumps, all of which are locked.

Zach grabs a key nearby and unlocks one of the books. The book opens, releasing a Yeti that trashes the house and escapes. They pursue the Yeti to a local ice rink, where Mr. Shivers appears and sucks it back into the book. On the way home, Mr. Shivers explains he is R.L. Stine Goosebumps's author.

Returning to the house, Stine and the kids are confronted by Slappy from Night of the Living Dummy, who is angry about being imprisoned. Before Stine can capture him, Slappy burns his own manuscript and flees with the other manuscripts. Slappy releases the monsters, letting them rampage under his command....
