Less than a year after the exceptional mobilisation of December 2015, the International Community meets again with history:

- Ratification of the countries of the European union on October 05, 2016
- The level of 55% of greenhouse gas emissions has been crossed.

On November 4, 2016, at the Ministry of Environment, Energy and Sea in PARIS, Madame Ségolène ROYAL (Minister of Environment, Energy and Sea) and Madame Anne HIDALGO (Mayor of Paris) introduced the actions taken at the occasion of the entry into force of the Paris Agreement '1er Accord Universel sur le Climat' (First Universal Agreement on the climate change).

- The following issues were detailed during the Press Conference :

- * The climate emergency
- * Climate justice : the financial issue. During the COP22, should be put into force the means ensuring the achievement of 100 billion Dollars per year for the climate up to 2020.

- The progress already achieved :

- * Strong increase of renewable energy in the world
- * Strong decrease of renewable energy prices
- * Exceptional level of jobs in renewable energy sector

- #SmileForThePlanet : 'Ensemble, redonnons le sourire À la planète' (Together, let's give back the smile to the Planet) :

Entry into force of the Paris Agreement was an international success : in less than a year, tens of countries mobilized simultaneously for the engagement taken during the COP21 in Paris will be implemented quickly.

- Digital Information Campaign to amplify the citizen engagement :

During the week of November 4, 2016, the President of COP21 (Ségolène ROYAL) will launch a campaign on the digital platform of her Ministry and on Social Networks to call citizen to join the International mobilization for the Climate.
